**GR-CORP-001**

## **Ghostrader Corporate Publishing Standard**

**Version 1.0**

Corporate Governance Standard

# Document Control

| Field          | Value                                                                       |
|----------------|-----------------------------------------------------------------------------|
| Document ID    | GR-CORP-001                                                                 |
| Version        | 1.0                                                                         |
| Status         | Approved                                                                    |
| Owner          | Project Ghostrader                                                          |
| Classification | Internal                                                                    |
| Purpose        | Defines the official publishing standards for all Ghostrader documentation. |

# Corporate Publishing Requirements

- Every document shall include a custom Ghostrader cover page.
- Every document shall include a professional title page.
- Every document shall include a Document Control page.
- Every controlled document shall include a Revision History table.
- Documents exceeding ten pages shall include a Table of Contents.
- Headers and footers shall contain Document ID, version, and page number.
- Ghostrader branding, typography, and colors shall be applied consistently.
- Tables and graphics shall follow a common visual standard.
- Documents intended for executives or investors shall use executive-level formatting.

# Standard Document Structure

| Order | Required Section  |
|-------|-------------------|
| 1     | Cover Page        |
| 2     | Title Page        |
| 3     | Document Control  |
| 4     | Revision History  |
| 5     | Table of Contents |
| 6     | Executive Summary |
| 7     | Main Content      |
| 8     | Appendices        |
| 9     | References        |

# **Future Standards**

This Version 1.0 establishes the governing publishing framework. Future revisions will define the official Ghostrader Word template, PowerPoint template, typography, color palette, logo usage, figure standards, table standards, and review workflow.
